DETAILED ACTION

Response to Amendment

1. Responsive to amendment received on October 8, 2004, amended claims 1, 4, 5, 8 and 11 are entered as requested.

Allowable Subject Matter

2. Claim 1-13 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior arts in the record fails to teach or make obvious to a method comprising the network node including a network medium interface device which includes at least two physical layer devices, the physical layer devices having different operating characteristics and controlling selection of an active physical layer device form among the physical layer devices based on capabilities of the outgoing frame destination node to which the frame is to be transmitted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
